Negotiation of Contracts for Agents' Radio Equipment

1. In carrying out the mission of this Agency it is necessary to purchase certain communication sets for operational use.

2. I hereby determine that this equipment must be procured by negotiation in lieu of formal advertising since the nature of the equipment is such that its purchase by this Agency must not be publicly disclosed.

3. Accordingly, the above items may be procured by negotiation pursuant to paragraph 1, C, (2), (h) of Central Intelligence Agency Regulation Number
